G. O. No. Ms.2807, Public Works Department dated 7-12-1939.

I have the honour to state that the sanction accorded in the above G.O. for the employment of a Wharf Supervisor on Rs.20/- per mensem expires on 3-6-1940 with reference to para

p 16 of (V)

of Government Memo No.2229A/40-1, Public Works(Marine) dated 18-4-1940.

2. A Landing and Shipping Fees Committee has been constituted for this Port in G.O. No.Ms 562 Public Works Department (Marine) dated 18-3-40. A statement showing the particulars of work and the volume of trade at the Port is enclosed. The statement called for in para 2 of the G.O. cited above is also enclosed.

3. The volume of work at the Port has increased. The clerical work involved in the collection and accounting of

of Landing and Shipping fees and of Port collections and disposal of correspondence relating thereto, as well as out door work such as supervision of boat traffic, supervision of the Port light and other duties of conservancy of the port cannot efficiently be carried on by the Port Conservator single handed. The Port Conservator has also to attend to duties connected with war and Mercantile Marine administration as and when required. I would therefore request that sanction may please be accorded for the continuance of the post of the Wharf Supervisor at the Port for a further period of one year from the date of expiry of the present sanction with the usual time scale of pay Rs.20-50 per mensem attached to it.
